

\$PSDocId: Document Release 1.0 for Run-time Library Release 4.3\$
Sample Data: tuto3.pad

This data file contains results from the analyzer.

The data file tuto3.pad uses results from tuto3 in \psx\sample\graphics\texaddr\wave
(approximately two Vblank's worth).

If a DTL-H2700 is not available, the data file can be viewed with the analyzer.
